

**CIRCLE of
FIVE THOUSAND**
AIM Alumni Legacy Champions

Dear AIM Alumni,

Warm greetings!

We're proud to announce the launch of the **Circle of Five Thousand**, a movement of alumni coming together to build a Legacy Fund for the future of the Asian Institute of Management (AIM) Alumni Community.

This is a call to leadership and an invitation to invest in a legacy that will serve generations of AIM Alumni.

Our goal is to encourage 5,000 alumni to put in P5,000 (\$100) to build a fund of P25,000,000 (\$500,000) to allow us to continue fueling scholarships, strengthening alumni connections and advancing initiatives that keep our community thriving.

The Circle of Five Thousand Legacy Fund will be managed by a dedicated committee chaired by Triple A Awardee Eugene S. Acevedo, MBM 1987, former President and CEO of the Rizal Commercial Banking Corporation (RCBC) with oversight from the AAAIM Board of Trustees and leadership.

We are counting on your support and to help encourage your fellow alumni, particularly your batch, to join the Circle of Five Thousand and be an AIM Alumni Legacy Champion.

With sincere appreciation,

Mr. Eugene Acevedo
Chairman, Circle of Five
Thousand

Mr. Felix O Tiukinhoy Jr.
Chairman, AAAIM

Mr. Louis-Oui
Chairman, FAIM
